22 F**

Conference on Computational Physics Granada, Spain September 2-5, 1998

Organized by

the Computational Physics Group of the European Physical Society (EPS) and by
the Institute *Carlos I* for Theoretical and Computational Physics of the University of Granada

This *Europhysics Conference* is the tenth of a series of either APS or EPS "PC" conferences held previously in Boston (1989), Amsterdam (1990), San Jose (1991), Prague (1992), Albuquerque (1993), Lugano (1994), Pittsburgh (1995), Crakow (1996), and Santa Cruz (1997), and it is coordinated with similar efforts in Asia ("ICCP's" at Beijing in 1988 and 1993, Taiwan 1995 and Singapore 1997).

With special contributions by

International Union of Pure and Applied Physics
East-West Task Force of the European Physical Society
Consejería de Educación y Ciencia de la Junta de Andalucía
Ayuntamiento de Granada

and other contributions by

Vicerrectorados de Investigación y Servicios de la Universidad de Granada
Dirección General de Investigación Científica y Técnica, M.E.C.
Facultad de Ciencias de la Universidad de Granada
American Institute of Physics
UK Institute of Physics
M.A. Valenzuela S.A.
